

INVESTIGATE PHYSICAL SCIENCE!

**FREE Hands-on Workshop
for Middle and High School Science Teachers**

**Raffle for
Free Equipment**

Sponsored by *Washington University Science Outreach* and *The Department of Physics*

**JULY 12–14, 2011
8:30 AM to 4:00 PM**

Washington University – St. Louis
1 Brookings Drive
Compton Hall Room 241
St. Louis, MO 63130

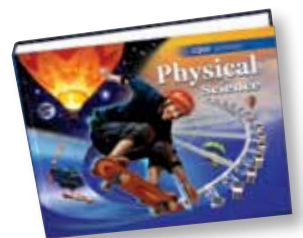

WORKSHOP AGENDA

Day 1 Chemistry: Properties of Matter, Atomic Structure, Periodic Table, and Chemical Reactions

Day 2 Physical Science: Measurement, Motion, Newton's Laws, and Energy

Day 3 Waves, Sound, Light, and Space Science: Solar System, Stars, and the Universe
Discussion, Reflections, and Correlations to Missouri GLE's and CLE's

- Continental Breakfast and Lunch Provided
- Certificates for Professional Development available upon request
- Every participant receives a complementary Physical Science book set
