

# INVESTIGATE PHYSICAL SCIENCE!

**FREE Hands-on Workshop  
for Middle and High School Science Teachers**

**Raffle for  
Free Equipment**

Sponsored by *Washington University Science Outreach* and *The Department of Physics*

**JULY 12–14, 2011  
8:30 AM to 4:00 PM**

Washington University – St. Louis  
1 Brookings Drive  
Compton Hall Room 241  
St. Louis, MO 63130

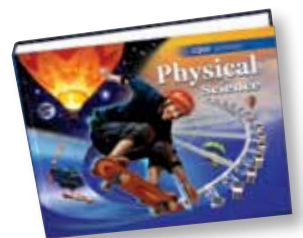

## WORKSHOP AGENDA

**Day 1 Chemistry:** Properties of Matter, Atomic Structure, Periodic Table, and Chemical Reactions

**Day 2 Physical Science:** Measurement, Motion, Newton's Laws, and Energy

**Day 3 Waves, Sound, Light, and Space Science:** Solar System, Stars, and the Universe  
*Discussion, Reflections, and Correlations to Missouri GLE's and CLE's*

- Continental Breakfast and Lunch Provided
- Certificates for Professional Development available upon request
- Every participant receives a complementary Physical Science book set

**REGISTER by May 16, 2011**
